ADVISORY BOARD
MULTI-DISCIPLINARY PUBLISHING INSTITUTE PAKISTAN

The MDPIP's Journals Advisory Board comprises world-renowned academicians and researchers who voluntarily dedicate and devote their expertise and precious time to ensure high-quality publications. The major responsibilities of the Advisory Board are:

- Making strategic policies, plans, and decisions.
- Execution and review of policies, plans, and decisions through journals teams.
- Bringing well-documented recommendations and information to the board.
- Monitor journal editorial board structures to ensure that the models used best serve the authors, editors, and reviewers.
- Analyze and recommend effective ways to integrate technology-based publications programs.
